

Thank you for the opportunity to teach your child. I am SO looking forward to teaching them ☺

If you have questions or want more information about your child's progress, please contact me.

I would like to know what is the best way for me to communicate with you regarding your child's learning and socialization skills this year. Please check off or number 1 - 4 the way that you would like me to inform you of successes and areas that need support that your child has and send back.

Name: _____

_____ Email (please provide address) _____

_____ Interview

_____ Planner note

_____ Phone call

If there is anything that you feel I need to know about your child that will help me teach him/her more effectively, please write it here or request a meeting one day after school.

Thank you!

Mrs. Kostiuk
